++ Valid for broadcast between 1800 and 0600

Headline:
Rain clearing overnight. Sunny spells and showers Tuesday.

This Evening and Tonight:
Cloudy and mild with some heavier rain at first. The rain clear southeastwards towards midnight with clear periods developing and turning cooler. Occasionally strong southwesterly winds easing. Minimum temperature 5 deg C (41 deg F).

Tuesday:
A much brighter, cooler day with sunny spells. There will be scattered showers but they will pass by quickly thanks to the fresh or strong southwesterly wind. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Bright spells and scattered showers through Wednesday and Thursday with fresh or strong southwesterly winds. There may be prolonged rain and a risk of gales for a time on Friday.
